

# CARE

HOW-TO: WITH THESE TIPS,  
YOU CAN ENJOY YOUR MOUNTAIN FORCE  
PRODUCTS FOR A LONG TIME.

## Ski clothing

To ensure the functionality and durability of your Mountain Force apparel, the following should be observed during washing:

- Washing temperature 30 °C
- Wash separately from other laundry
- Use functional detergent
- For stubborn stains: Bile soap
- Renewing the impregnation: Use impregnating spray
- Do not use a heavy-duty detergent or fabric softener
- Do not dry clean
- Do not dry in a tumble dryer

Please observe the instructions on the care label. If these deviate from the above, the instructions on the care label apply.

## Down

In order to maintain the down volume and heat retention of your Mountain Force clothing, the following should be observed during washing:

- Washing temperature 30 °C
- Wash separately from other laundry
- Use down detergent & down washing balls (Down-Wash)
- Gentle wash cycle with subsequent spin cycle
- Repeat rinse and spin cycle
- Repeat spin cycle again
- Do not use a heavy-duty detergent or fabric softener

Drying:

- Dry separately
- Put down washing balls in the dryer
- Dry for 1 h at a low temperature (max. 60 °C)
- Allow jacket to cool and shake occasionally
- Dry again for 1 h
- Allow jacket to cool down and check for residual moisture when cold
- If necessary, carry out a drying cycle again
- Do not air dry

Please observe the instructions on the care label. If these deviate from the above, the instructions on the care label apply.
